

CAPABILITY STATEMENT

EBCx Services provides new and existing building commissioning (EBCx) to make buildings operate safely, comfortably and energy efficiently.

EBCx Services has extensive experience in the construction and mechanical service industries, providing decades of knowledge relating to how buildings should be constructed, operated, and maintained.

EBCx Services mobilizes the right people, skills, instrumentation, and procedures to help organizations optimize the built environment.

EBCx Services provides technical training to help facility operations and maintenance technicians leverage their current skills and maximize their overall performance.

What sets EBCx Services apart from the competition?

- Superior Client Relationship and Project Management
- Strategic mix of technical skills including controls / testing, adjusting, and balancing of hvac systems / contracting & engineering expertise
- Proven ability to identify the root cause of problems and determine the most appropriate corrective action to resolve multi-faceted technical issues
- High awareness of safety, well versed with OSHA and USACE EM-385
- Industry involvement in co-authoring ASHRAE Guidelines and ANSI/NEBB Procedural Standards for commissioning both new and existing buildings

State and National Certifications and Licenses

- Certified & Licensed Class-A Air Conditioning Contractor (FL), since 1981
- NEBB Certified Firm in TAB, Cx, RCx, BET
- AEE Certified Indoor Air Quality Professional (CIAQP), Certified Energy Manager (CEM), Certified Measurement and Verification Professional (CMVP)
- OSHA-30 hour and EM-385-1-1 40-hour USACE Safety & Health Training Certificates

Core Competencies

- Testing, Adjusting and Balancing (TAB) of air conditioning systems
- Commissioning new buildings
- Commissioning existing buildings
- Energy Surveys
- Indoor Air Quality (IAQ) Surveys
- Solving comfort complaints
- Building Condition Assessments
- Operator level skill on most Building Automation Systems (BAS), including Tridium Niagara N4 platform
- Holistic building optimization approach including the following building systems:
 - HVAC and controls
 - Domestic and heating hot water
 - Lighting
 - Building envelope
 - Process equipment and systems
- Technical training for O&M staff and technicians on HVAC theory, service, installation, IAQ, energy and TAB

NORTH AMERICAN INDUSTRY CLASSIFICATION SYSTEM (NAICS)

541330	Engineering Services
236220	Commercial and Institutional Building Construction
238220	Plumbing, Heating, and Air Conditioning Contractors
334512	Automatic Environmental Control Manufacturing for Residential, Commercial, and Appliance Use
541350	Building Inspection Services
541380	Testing Laboratories
541611	Administrative Management and General Management Consulting Services
541620	Environmental Consulting Services
541690	Other Scientific and Technical Consulting Services
561210	Facilities Support Services

CAPABILITY STATEMENT

Past Projects

Project	Location	Contractor
Fort Benning ESPC Phase-1	Columbus, GA	Honeywell
Fort Benning ESPC Phase-2	Columbus, GA	Honeywell
Fort Leonard Wood ESPC Development	Ozarks, MO	Honeywell
GSA Region-IV ESPC Development	NC, AL, MS	ABM Industries
GSA/FDA White Oak Building 21 & 22, Cx Services	White Oak, MD	Honeywell
Knox County Health Department, TAB/RCx	Knoxville, TN	Trane
GSA USDA, George Washington Carver Center, Cx Services	Beltsville, MD	Honeywell
* Shaw AFB, IDIQ RCx Services	Sumpter, SC	Atkins NA
*Tyndall AFB, IDIQ RCx Services	Panama City, FL	Atkins NA
*Moody AFB, IDIQ RCx Services	Valdosta, GA	Atkins NA

All projects were performed by EBCx Services as a first-tier subcontractor.

*Work performed by Scott Gordon (owner of EBCx Services) while employed by Atkins NA between 2014-2016.

Detailed project information and PPQs are on EBCx Services current SF-330.

GENERAL INFORMATION

Registered Company Name: The Four Muses, LLC
 DBA: EBCx Services

Year Incorporated: Feb. 26, 2007
 State of Incorporation: Florida (conversion from TN in 2018)

Corporation Type: LLC
 D-U-N-S Number: 012430958
 CAGE Code: 7Y2U3

EBCx Services is a Self-Certified Small Business, registered in SAMs.

Our lead staff have CAC and PIV cards for access to Military/GSA and Federal Facilities.
